PDR for Nonprescription Drugs® and Dietary Supplements™ entry for

VITAMIST® Intra- ◀ Oral ▶ ◀ Spray ▶ (Mayor)

Nutraceuticals/Dietary Supplements

Description: VitaMist® products are patented, intra-oral sprays for the delivery of vitamins, minerals, and other nutritional supplements, directly into the oral cavity. A 55 microliter spray delivers high concentrations of nutrients directly onto the mouth's sensitive tissue. The buccal mucosa transfers the nutrients into the bloodstream. (U.S. Patent 4,525,341--Foreign patents issued and pending.)

Benefits:

- Spray supplementation provides an absorption rate approximately nine times greater than that of pills.
- Once the formula is sprayed into the mouth, the nutrients reach

the bloodstream within minutes.

- No fillers or binders are added; the body receives only pure ingredients.
- An alternative method of supplementation for those that cannot take pills, or simply do not enjoy swallowing pills.
- Convenient administration; no water needed.

(back to top)

Product Overview: **Multiple:** vitamins and minerals in three separate formulations: adult, children's, and prenatal.

C+Zinc: with vitamin E and the amino acids L-lysine and glycine.

B12: contains 1000% of the US RDI of vitamin B12.

Stress: herbal formula with B vitamins.

St. John's Wort: St. John's wort extract with vitamin B12, ginkgo biloba, kava kava and folic acid.

E+Selenium: contains vitamin E and selenomethionine.

Anti-Oxidant: with vitamins A, C, E, niacin, folate, and beta-carotene.

VitaSight®: with vitamins A, C and E, beta-carotene, zinc, selenium, bilberry, lutein, and ginkgo biloba.

Colloidal Minerals: more than 70 trace and essential minerals from natural sources.

Smoke-Less™: herbal combination with additional nutrients designed to reduce cravings.

PMS and LadyMate: supplementation for the nutritional needs of pre-menstrual syndrome.

Folacin: vitamins B6 and B12 added to folate (folic acid).

Slender-Mist®: dietary snack supplements containing a combination of B vitamins, hydroxy-citric acid, L-carnitine and chromium. Four different flavors.

Blue-Green Sea Spray: spirulina extract, additional omega 3 fatty acids from flaxseed oil, and vitamin E.

Re-Leaf: a blend of more than 10 herbs that are recommended for minor discomfort, anxiety, and stress.

Osteo-CalMag: herbal supplement with additional vitamin D, calcium and magnesium.

Pine Bark and Grape Seed: powerful proanthocyanidins (anti-oxidants) from natural sources, with additional B vitamins.

1-Before, 2-During, 3-After: three performance sprays designed for the needs of physical activity.

CardioCare™: with vitamins C and E, the amino acids L-lysine and L-proline, coenzyme Q10 and additional herbal extracts.

Melatonin: a natural hormone that is effective in re-establishing sleep patterns.

DHEA: dehydroepiandrosterone in both men's and women's formulations.

Revitalizer®: high levels of B vitamins, as well as vitamins A and E, the amino acids L-cysteine and glycine, and selenium.

GinkgoMist™: with ginkgo biloba, vitamin B12, acetyl-L-carnitine, choline, inositol, phosphatidylserine and niacin.

ArthriFlex™: with chondroitin sulfate, glucosamine sulfate, vitamins C and D, calcium, manganese, boron and dong quai.

VitaMotion-S™: dimenhydrinate with ginger and vitamin B6.

Echinacea + G: combination of echinacea, goldenseal and garlic extracts, together with honey and lemon.

Ex. O: powerful blend of cayenne and peppermint with additional herbs recommended for allergy control.

([back to top](#))

How Supplied: VitaMist dietary supplements are supplied in sealed containers fitted with a natural pump. Each container provides a 30-day supply.

Recommended Dosage: Two sprays, four times per day, for a total dosage of eight sprays per day.
